### Mrs. Samuel Dick to Entertain War Mothers

The regular monthly meeting of the local chapter of the War Mothers of California will take place at 2 o'clock on Wednesday afternoon of this week at the home of Mrs. Samuel Dick, 309 North Louise street, according to an announcement made yesterday by Mrs. L. T. Rowley, president of the organization. As this will be the last meeting of the year all Glendale mothers of world war veterans are urged to be present to close up the business for 1921.

The most important action to be taken will be that of giving a name to the chapter, which has heretofore been known as the Glendale chapter. Mrs. Edward Hopkins, county war mother, will be present to tell the local ladies of the manner in which other similar organizations have been named. A committee of Glendale War Mothers will also offer a number of suggestions to be voted on by the members.

## PHILIP W. PARKER MUNICIPAL BUDGET IS HAVING BUILT FINE RESIDENCE IS DISCUSSED BY C. OF C. BOARD

### Predicts Glendale Is Just Beginning to Grow; Get Ready for 100,000

Philip W. Parker, 518 North Central avenue, is building a beautiful two-story, eight room residence at 624 North Brand boulevard, the contract having been let to the Rommel Construction Company, 133 South Brand boulevard, and work is now under way.

The plans, as prepared by the architectural office of Harold D. Charlton, 113 East Broadway, provide for an old English type of residence with a large living room, dining room, sun porch, den, reception hall and kitchen on the first floor and two bedrooms on the second floor. Oak floors, tile mantels, and all modern conveniences will be features of the dwelling.

"This is the second house plan I have completed for Mr. Parker," said Harold D. Charlton, "besides preparing plans for three store buildings for him."

**Only Started in Glendale**  
"The building activity in Glendale has hardly started as yet," says Mr. Parker. "I have watched Chicago grow, and I was in Los Angeles when it had only 10,000 in population. There is nothing to stop the growth of Glendale and we might as well get ready for 100,000 people right now. Some of these days you will see it built solid from here to Burbank, for between here and Burbank are some of the finest home sites to be found."

"We have the most wonderful climate in the United States, we have the scenery and we have everything to cause this building activity to continue until some day you will see one of the largest cities in the United States right here."

### Earl Patterson Given Reception From Elks

The regular weekly meeting of the Glendale Elks' lodge took place last night, the principal feature of which was a reception to Esteemed Lecturing Knight Earl Patterson, who has just returned from a four weeks' honeymoon tour throughout the northern part of the state. Mr. and Mrs. Patterson are temporarily domiciled at Hollywood, where they will be located for a few weeks, when they will make their home in Glendale.

Joe E. Bellue, chairman of the entertainment committee, made a detailed announcement of the elaborate arrangements that are being made for the big New Year's Eve dinner-dance and entertainment. All members who are contemplating attending this gala affair are requested to make reservations with Secretary W. M. Kimball without delay.

### W. C. CRANDALL IS HERE

W. C. Crandall, former Glendale resident, a Los Angeles banker, arrived in this city yesterday from San Francisco, where he has spent the past several months. While in Glendale Mr. Crandall will be the guest of his sons, Cecil A. and Lehman W. Crandall of 303 Salem street.

### Councilman C. E. Kimlin, in Statement, Tells Why Cut in Expenses Necessary

Discussion of municipal budget slashes was scheduled as the principal business before the Chamber of Commerce directors this afternoon. Councilman C. E. Kimlin, who is a member of the board, faced the proposition satisfying the Chamber that the reductions were necessary.

Two referendums from the United States Chamber of Commerce also came up for consideration and were referred to committees. The following applications for membership were voted upon:

### HIST! HERE IS A MYSTERY!

How did R. M. Morrow's Oakland touring car get from the Baptist church to the high school athletic field? That's what his family would like to know. They live at 516 West Doran street. Sunday night Mrs. Morrow went to church with a neighbor and left the car parked on Wilson avenue. When the services were over, she reported its absence to the police. Yesterday afternoon one of Miss Vesta Morrow's high school friends called her attention to the car on the athletic field near the boys' gymnasium. The Oakland arrived home amid great rejoicing.

### FOR FORMER SERVICE MEN

The pupils of the 61st street school in Los Angeles, of which Margaret Horrell Smith is principal, gave a bazaar and donation party Friday afternoon, December 9, at which they collected \$36 to be added to the book fund for the ex-service men at Thornycroft. The pupils of this school have taken considerable interest in the boys at this institution and have already given donations of flowers, jellies and fruits.

### CHECK BAD, IS CHARGED

A bad check for \$30 was passed upon Charles A. Flagg of the Glendale Furniture company, 606 East Broadway, yesterday afternoon, after the banks were closed by a man who endorsed the check as E. Harris. It is claimed that the signature of Contractor W. E. Cleveland is a forgery. The check covered an \$8 purchase and \$22 in currency was given in exchange.

## Today's World News In Brief

(By International News Service to Glendale Evening News)

**DISORDER FOLLOWS ATTACK ON IRISH PEACE TREATY**  
BELFAST, Dec. 13.—Sir James Craig's bitter attack against the Irish peace treaty was followed by spasmodic bursts of disorder during the night. A girl was wounded during a street fusillade today.

**BILLION DOLLARS LOAN MAY BE ISSUED TO GERMANY**  
PARIS, Dec. 13.—A one billion dollar loan, guaranteed by all German customs and paying 7 per cent interest may be issued with the approval of the allies, to assist Germany with her indemnity payments, it was learned today from a reliable source.

**POPE FAVORS RATIFICATION OF IRISH PEACE TREATY**  
ROME, Dec. 13.—Pope Benedict favors ratification of the Irish peace treaty in its present form, according to a Rome dispatch to the Daily Press today. The dispatch added that the pontiff had authorized the vatican to announce that "ratification would cause supreme joy to his holiness."

**AMERICAN VESSEL SEIZED BY MEXICO IS GIVEN RELEASE**  
WASHINGTON, Dec. 13.—The American fishing vessel Mabel and her crew, seized by Mexican authorities for alleged illegal fishing, has been released and is proceeding to San Pedro, California, the state department was advised today. The captain of the ship was fined 1080 pesos for illegal fishing, which was paid under protest. The question now involved is whether the ship was in territorial Mexican waters when seized, the state department was informed.

**'TERRIBLE TOMMY' O'CONNOR STILL REMAINS AT LARGE**  
CHICAGO, Dec. 13.—"Terrible Tommy" O'Connor was still at large today and the hunt for Chicago's latest desperado was continuing with unabated vigor. Detectives were rushed early today to Hartford, Wisconsin, where a man answering the general description of O'Connor was under surveillance by Charles F. Cook, chief of police of the Wisconsin city. The man had been pointed out to Hartford police by a Chicago traveling salesman. Two men were with him who are said to answer the descriptions of Edward Darrow and Frank Laporte who fled from the Cook county jail with O'Connor.

**THOUSANDS OF WOMEN BATTLE IN KANSAS COAL FIELDS**  
PITTSBURG, Kans., Dec. 13.—The "Amazon fury" broke out with increased violence in the Kansas coal fields today. More than 2500 women, wives and members of families of the "rebel" supporters of Alex Howat, were sweeping in a grand offensive on mines which are in operation in the district. The "petticoat army" was in three divisions and a number of clashes with mineworkers were reported. Sheriff Gould, with all deputies available, was opposing the women attackers, but was unable to disperse the mobs. Four of the Jackson-Walker company mines were the first attacked and the miners were forced to quit work.

**THREE CORNERED FIGHT IN IRISH PEACE NEARS CLIMAX**  
LONDON, Dec. 13.—The three cornered fight in London, Ulster and Dublin over the Irish peace treaty swung swiftly toward its climax today. A meeting of the highest prelates of the Roman Catholic church in Ireland was held in Dublin. In view of Cardinal Logue's public defense of the peace settlement, it was expected a resolution would be adopted recommending its ratification by Dail Eireann. Both Dail Eireann and the British parliament will assemble tomorrow for action on the treaty. Fiery bursts of oratory on both sides are expected. Premier Lloyd George, who will make a personal appeal to the house of commons to approve the pact, has completed what his friends believe will be the greatest speech of his long and spectacular political career. While Lloyd George is leading the fight for ratification in the British parliament, Arthur Griffith will be making a similar appeal to Dail Eireann at Dublin.

### ANOTHER OPEN SESSION OF ARMS PARLEY TO COME SOON

WASHINGTON, Dec. 13.—Another open session of the armament conference within a week, perhaps on Saturday, appeared probable today as a result of the rapid progress that has been made in the reconciliation of divergent views. It is planned to clear up the naval question at the next plenary session and when that is accomplished there will be but little standing in the way of the conference being out of Washington by the holidays. So confident are the foreign visitors that there will be an early adjournment that nearly all of them have made tentative sailing engagements for the last week in December or the first week in January. Three obstacles remain in the pathway of a naval agreement. 1: Japan's insistence that she be allowed to retain the Mutsu, her latest completed dreadnaught, doomed to the scrap heap by the original Hughes plan; 2: An agreement on the fortifications of the Pacific; 3: England's demand that the tonnage of submarines allotted to each nation be cut in half and that the cruiser types of submarines be abolished entirely. These matters were discussed by the big three—Hughes, Balfour and Kato—in a meeting last night, and will be taken up again late today.

### TREATY OF WASHINGTON IS SIGNED BY FOUR POWERS

WASHINGTON, Dec. 13.—The treaty of Washington is signed. In the simply furnished diplomatic room of the state department, the representatives of the four great powers of the Pacific affixed their signatures today to the new treaty, which is designed to replace the Anglo-Japanese alliance and to guarantee the peace of the Pacific for at least ten years. The treaty was signed as privately as it was negotiated. Only the plenipotentiaries of the four great powers participated in the simple ceremonies in Secretary Hughes' outer office. There were scarcely no spectators other than a few state department clerks and attaches. Press representatives were not admitted. The Americans were the first to sign, then followed the delegates from the British Empire, France and Japan, in the order named. President Harding is going to be "in no hurry" to submit the treaty to the senate, it was officially announced at the white house this afternoon. No date for submission has been set. The president feels that the senate knows the contents of the treaty and it is better to allow the senators to study it thoroughly before asking ratification. The white house wants to eradicate any impression of haste or of "jamming it through." The president indicated that he may send the document up without any special message, other than the formal message of transmittal with a request that it be ratified.

## COUNCIL HOLDS PUBLIC HEARING OF CHARGES BY OFFICER SCALES AGAINST POLICE CHIEF MARTIN

### No Intentional Wrong Committed By Anyone Connected With Case, Decision of Officials After Investigation; Facts Presented

CLARIFYING an atmosphere around the city hall which, officials declare, has been fraught with innuendoes and other unpleasant conditions relative to the dismissal of Detective Sergeant Scales from the police department, the city council last night heard charges made by the officer in which his chief, Allen O. Martin, was said to have accepted \$25 in lieu of a reward in the Jack Norman case which came before Judge F. H. Lowe in the early part of November.

Norman was represented in court at that time by Attorney Harry C. Levey, who won a dismissal on the plea that his client had been gassed in France and was not himself either mentally or physically. Judge Lowe excused the crime of collecting \$3 under false pretense from a local physician for a subscription to a well-known weekly publication—this because of the fact that the family and friends of the man promised to look after the wounded war veteran, whose story "touched the heart" of the court.

The charges by Mr. Scales, which were read, are beyond the case as testimony later showed, so they will not be published here or discussed, but the statement of Attorney Levey tells the facts in the matter more completely than any other bit of testimony taken during the evening. All members of the council were present and Attorney Dwight Stephenson presided. In effect Mr. Levey said, after being duly sworn by City Clerk A. J. Van Wie:

"It seems as though the chief slipped something over on me—that is, I was under the impression that the man Norman had been arrested and I thought a complaint had been filed against him. I went to the judge in all seriousness with regard to this poor fellow I found down there at Fire House No. 2, simply because I was engaged in the Wylie murder case."

**No Question of Guilt**  
"At the time I got into the case he did not have anything and, as Judge Lowe said, I had no idea of getting anything. It was told me by Norman and a young fellow who drove out to my house—I name I cannot remember, but this young fellow said he was a movie producer and that Norman had worked in the movies for him. He wanted to sell his car to pay the fees."

"It finally developed that there was no question of the fellow's guilt, he had gone around in Glendale and collected the 'enormous' sum of \$3.50 on palpably false pretenses, although the judge quoted some other charge."

"I talked to the judge and told him the young fellow had a mother we had telegraphed for assistance; that he had a movie friend who, if he got his freedom, would get him a good job to support himself and from what I could learn, Norman had \$50 monthly disability bonus and \$150 he obtained from home with which he could straighten out."

"I had advised the fellow to go to his mother."

"I do not believe he was physically fit and I have no doubt he had sustained some mental deficiency by reason of his gassing. But he talked sensibly and, in fact, there were a good many things back of the case if I had told he would not have been discharged, but as a lawyer I do not tell everything I know about a case."

### No Attempt to Influence

"No attempt was made to influence the judge, but in the capacity of an attorney for his client I interceded in his behalf. I never spoke to Chief Martin to influence him. I never mentioned it to him. I interceded directly with the judge. When the judge at the hearing listened to men and saw the boy and did what he did, I think he was satisfied."

"The chief said he thought the judge was doing right. Now when they thought it was all right I did the thing I was going to do and took the \$100 sent by Norman's mother from my pocket, openly and above board, before several witnesses, and I said to the chief, 'Here is the \$3.50 for you to return.' Then I think he said something about meals, \$1.50 I believe. I paid that, too."

### In Lieu of Reward

"The chief then showed me a circular—it might have been a telegram or letter—in regard to the reward of \$25 offered by the Curtis Publishing Company and in front of the chief I said to Mr. Norman: 'Ordinarily, considering what you are going to have I would charge you \$75 in a case of this kind. It seems the chief has some question whether or not he will get his reward. Undoubtedly, he has not pushed anything against you and I will give \$25 out of this you pay me to pay the chief in lieu of a reward.'"

"My client was satisfied and the whole thing was open and above board, not thinking of the reward being questioned in any way."

"We went out and in going down stairs I said Mr. Scales and I said to him that Norman had paid the \$25 reward, thinking that Scales, having (Continued on Page 2)

### Council Verdicts

Here are the verdicts of the city councilmen following the hearing accorded Chief of Police A. O. Martin at the city hall last night:

#### MAJORITY REPORT

December 12, 1921.

We find that no intentional wrong has been committed by anyone connected with the case. But, it shall be the future policy of this council that all monies collected in the shape of rewards or gratuities, either by the police or fire departments, or any other department, shall be immediately reported to the city council, who shall decide what disposition shall be made of said monies.

(Signed) SPENCER ROBINSON, S. A. DAVIS, C. E. KIMLIN, A. A. LAPHAM.

#### MINORITY REPORT

December 12, 1921.

I find that no intentional wrong has been committed by anyone connected with this case. I do, however, find that Chief A. O. Martin erred in judgment.

I agree with the majority that in the future all monies collected in the shape of rewards or gratuities, either by the police, fire or any other department, shall be forthwith reported to the city council, who shall decide what disposition shall be made of said monies.

(Signed) DWIGHT W. STEPHENSON, Councilman of the City of Glendale.

### Dr. Pomeroy Returns From European Visit

Dr. and Mrs. George Pomeroy, who are making their home temporarily at the Bernadette Apartments on Grand View, Los Angeles, were visiting old friends in Glendale Sunday, and spent the evening with Dr. Pomeroy's brother, F. W. Pomeroy and family of the Brand Estate.

Dr. Pomeroy returned to California last May, after eighteen months spent in the service of the Near East Relief in Turkey. He was married during the summer and accompanied by Mrs. Pomeroy sailed from New York last August, with plans formulated for establishing a hospital in Turkey. They reached Constantinople, but found conditions in general so very unsatisfactory that they did not go farther into the interior, as planned.

After a short stay in the city, they decided to return home, reaching New York in October, and arriving in Los Angeles November 30. Dr. Pomeroy is contemplating locating in Oakland but is also very favorably impressed with the business possibilities of Glendale.

### MORE HOMES UNDER WAY

Building permits were issued yesterday to Glenn Bartlett for the erection of a two room residence by himself at 600 West Wilson avenue and to Thomas Prescott for the erection of a similar bungalow by himself at 1309 South San Fernando road.

### Xmas Tree Ornaments Wanted; Will You Aid?

Three years after the signing of the Armistice and while their buddies are rapidly forgetting the trenches, a number of veterans of the World War will spend this Christmas in Thornycroft Hospital.

Mrs. George E. Clayton, 200 South Orange street, desires to share among those who will try to bring them holiday cheer. She has secured eight Christmas trees and will have one large one placed in the main recreation room and seventeen smaller ones placed in the different wards.

Mrs. Clayton states that she would appreciate suitable ornaments and would be glad to call for them. Her telephone number is Glendale 668-W. Many people have Christmas tree ornaments stored away. The ornaments will help make the former service men's Christmas a better one. Call Mrs. Clayton and give her the tree ornaments.

### Y. L. I. SOCIETY MEETING

The members of the Y. L. I. society, of which Mrs. Frank Salmacia is president, will meet tomorrow night at the home of Miss Gertrude Koverman on East Maple avenue.

### MRS. ROSE COLTON GUEST

Mrs. Rose Colton of Los Angeles was the Sunday guest at the home of her brother and sister-in-law, Mr. and Mrs. W. L. Colton, of 111 South Central avenue.

GET HEARING BY  
CITY COUNCIL

No Intentional Wrong Is Done  
By Any of Parties, Say  
Verdicts Returned

(Continued from Page 1)  
made the arrest, would get part of it.

That was a fitting conclusion for Mr. Levey's statement, for right there is where the trouble seems to have started. Mr. Scales did not ask Chief Martin about the reward, but weeks later asked Judge Lowe what the disposition in the case was. Learning it had been dismissed, the former detective confided to the judge that the chief got \$25 as a gift.

**Investigation Starts**  
Judge Lowe went to City Manager W. H. Reeves and the investigation was started which culminated last night in the following manner:  
Chief Martin was absolved of any wrong intent in taking the money. It remaining to the council to decide whether or not he was in error.

Attorney Levey and Judge Lowe were found to be acting in good faith in their dealings and doing what they considered only right and just.

City Manager Reeves and Chief Martin were sustained in their dismissal of Detective Scales and he turned in his police badge and handcuffs to Mayor Spencer Robinson.

**No Personal Enmity**  
According to statements made by both Chief Martin and Mr. Scales, no personal enmity is held and each was present to defend their good names. It is useless to go further with statements, cross-examination and other matter inimical to public welfare.

In other columns will be found the verdicts of the councilmen and they all are agreed that in the future all monies collected in the shape of rewards or gratuities, either by the police, fire or any other department, shall be forthwith reported to the city council, who shall decide what disposition shall be made of said monies.

For the information of the public it might be stated that Chief Martin, on the advice of City Manager Reeves, turned the \$25 in question over to the city treasurer for the police ammunition fund.

**SYMBOLIC OCTOBER GEMS**  
For the person born in October who wishes to have a ring showing the stone of his guardian angel and apostle for the month—a quaint old custom worth reviving—it is worth knowing that for the angel named Bael, agate is the stone, and for the apostle Simon jacinth is selected. The combination, though symbolic, might not be altogether pleasing. The hop, anciently used as the symbolic flower of the month, is sometimes used as the design in an ornamental gold ring, for persons born in October.

Pasadena Mends Fences

Pay Your Bills Now

Beware Forged Checks

By Gil A. Cowan

JUDGE F. H. LOWE of the police  
court last night appeared at the  
city council's hearing of charges  
relative to the police department  
which are reported in the news col-  
umns today. And there were state-  
ments which rang true from the  
heart of the venerable official when  
he told of freeing Jack Norman, a  
former service man, because the lat-  
ter was gassed in France and not  
himself when he went out and got  
money under false pretenses.

"I would treat any sick or  
wounded service man the same," said  
the judge, who labored under the im-  
pression that his actions were im-  
pugned. That was not a fact and it  
may be said by the writer, in fairness  
to all, that if everyone had under-  
stood the case as well before the  
hearing as they did afterwards—  
well, there wouldn't have been any  
case likely.

In the words of Councilman Ste-  
phenson, who presided so ably over a  
difficult situation, the spirit of fair-  
ness which prevailed on the part of  
all witnesses is most commendable.

Pasadena and its Tournament of  
Roses and its proposed new stadium  
may go a-begging for New Year's  
football games after this year, if  
news dispatches of the last two days  
are any indication of the way in  
which the wind is blowing.

The officials at Pasadena are now  
making an effort to retain these ath-  
letic classics and they intend to deal  
directly with the heads of colleges.  
Instead of taking all of the profits,  
they are offering a huge sum to a  
committee of educators to defray ex-  
penses of worthy boys and girls at  
higher institutions of learning.

As a word of warning, however,  
the Tournament of Roses had better  
get busy and mend its fences in more  
ways than one if it expects to con-  
tinue successfully. It is a great in-  
stitution which should not be ruined  
by the greed of certain individuals.

December is the month in which to  
pay your bills.

It is an old Chinese custom that all  
accounts must be settled before the  
year turns 'round and it is one which  
might be profitably followed in these  
United States of ours.

In Glendale today there is a neces-  
sity for many people to pay their  
debts if they do not wish to em-  
barass those whom they owe. There  
are several concerns going to busi-  
ness bow-wows because they have  
bills outstanding, cannot meet their  
creditors and lack the capital to carry  
them through a crisis.

Business men and individuals alike  
who owe an unusual amount of  
money due and payable should at  
once seek means to meet such obli-  
gations by January 1. So many ac-  
counts are carried over in ledgers at  
the end of the year that the labor  
and effort which really are wasted  
must be appalling to the ancient or-  
der of bookkeepers.

Pay what you owe anybody as evi-  
dence of the Christmas spirit, if  
nothing else.

And, while everyone is paying their  
bills, the merchants are advised to  
be careful about cashing checks for  
any large amount, if the party's re-  
sponsibility is unknown. Only yester-  
day reports came to the police in-  
dicating a wholesale clean-up on the  
part of a painter, who cashed several  
forged checks, it is alleged.

Employers are urged to pay in cash  
on Saturdays so as to avoid the neces-

C. W. HAMMAN  
Manager Glendale Store  
of F. A. Clarke Co.

Glendale

The past history of the F. A. Clarke Company insures unlimited possibilities for the future. Such an opportunity to share in the profits of the Company may never again present itself. Remember—there are but 1100 shares! Subscriptions for Stock are receivable at any of the Company's Stores. Complete information will also be gladly given.

for a share in a consistently profitable Retail business; yet such an opportunity now presents itself to a very limited number of people in Southern California. The opportunity is one for safe investment with reasonable returns.

This opportunity is made possible by the F. A. Clarke Company, a Retail concern dealing exclusively in Electrical Household Appliances. Starting in 1917 with one store in Los Angeles, this Company has already established an enviable record for consistent yet remarkably rapid growth, now having Retail Stores in six other Southern California towns—another Los Angeles Store at Seventh and Broadway, the busiest corner in America, and has, under construction, a Central Headquarters Building which will house another store—an Electrical Service Station—the Company Garage—and the offices of the Company; and which will be the first building in the United States erected to serve Electrical Household Appliance Customers exclusively. It should be of interest to those considering the profitability of such a business that this amazing growth has been made solely upon the earnings of the Company!

## The Opportunity to Share

A great portion of the F. A. Clarke Company sales are made on the Partial Payment plan. At the present time the financing of these deferred payments is being handled through an Eastern Financing Corporation at considerable expense to the F. A. Clarke Company. The Company now proposes to finance its own deferred payments, and, to make this possible, is offering \$110,000 worth of 8% preferred stock. This stock is being offered at \$95.00 per share—par value \$100.00. With each share of preferred stock one-half share of common stock will be given. Purchased at \$95.00 per share, this preferred stock will yield nearly 8 1/2%!

Oatmeal Wallpaper  
is costly

Cornell's Oatmeal Finish  
costs nothing extra

## No wallpaper needed with these Oatmeal finished Panels

In buying wallboard you can make no greater mistake than to think all kinds are about alike. Cornell's fashionable "Oatmeal Finish" has introduced a beauty unknown in wallboard before. It will remain clean and attractive as long as costly wallpaper. Or you can paint or calcimine Cornell without the work and expense of a priming coat, for Cornell Panels come already primed—"Mill-Primed."

Cornell excels also for rigidity and durability because our "Triple-Sizing" process provides walls and ceilings with triple the ordinary protection against moisture, expansion, contraction, sound and change in temperature. Cornell is preferred to lath and plaster or plaster board because it is clean and sanitary, won't crack or fall, creates no muss and litter, and costs much less.

Quickly applied with hammer and nails to the joists and studding, or over damaged plaster. Take advantage of this by getting quotations and sample from the Cornell Dealer shown below.

### Mr. and Mrs. McLean Grieving Greatly at Loss of Their Dog

Mr. and Mrs. George H. McLean, 1524 South San Fernando road, are grieving over the loss of their light colored, heavy set, four-year-old, short-tailed Airedale, Rex, who disappeared off the running board of their auto about a week ago while they were en route to Arcadia. As soon as they noticed the dog's absence, they went back over the route several times, but could find no trace of him. They have advertised in several papers, but are afraid that Rex can't read because he hasn't returned home yet.

The dog was greatly attached to Mrs. McLean and a great pet in the neighborhood. She says that every time she hears a bark she thinks that he has come home again as he was a home lover.

### W. W. Marquis Is a New Arrival Here; Joins Realty Office

W. W. Marquis, new arrival in the San Fernando Valley, is now connected with the Glendale office of the W. A. Heitman Company, 1737 South San Fernando road.

Mr. Marquis for some time was in the real estate business in Kansas City. After stopping in Denver he brought his family to the coast this spring. After looking over the Southern California territory very thoroughly, Mr. Marquis has decided that Glendale is the most promising community in the neighborhood. He states that it is the most balanced locality in the vicinity of Los Angeles.

Mr. and Mrs. Marquis, Miss Gladys Marquis and Dorothy and Walter Marquis now reside at 210 West Hawthorne street.

### JACK CLINE IS BETTER

Jack Cline, who was taken from his home at 324 Ethel street to the Glendale Sanitarium Hospital recently to have his appendix removed, is now getting along nicely. He is not expected back at the Bentley-Schoeneman Lumber company, 460 West Los Feliz Road, for several weeks.

### CAN OF PAINT FOR XMAS?

"There is no reason why a can of paint should not be given as a Christmas present," laughed T. B. Revis, 1530 South San Fernando road, recently. "Such a gift should satisfy both husband and wife, delight all the members of the family and please the neighbors, too."

### REMAIN OPEN AT NIGHT

"I am so busy that I don't have time to notice whether anything has happened lately or not," stated B. V. Brasher, proprietor of the Southern Glendale Variety Store, 1413 South San Fernando road, yesterday. "We will be open until 8 o'clock every night from now until Christmas."

### MOTOR TRIP IS ENJOYED

C. S. Jordan of the Glendale Sash and Door House, 1422 South San Fernando road, drove back to Glendale Sunday accompanied by his wife from their home in Los Angeles and motored to Santa Monica with Miss Carolina C. Hughes and Mrs. Fannie Williams, 333 Cameron place.

### VISITED BY RELATIVES

Mrs. Ella Baldwin and Mrs. Cora Richardson, 1517 South San Fernando road, were visited Sunday by their brother, O. H. Watkins, and wife, and nephew, Roy Watkins and wife, who drove to Glendale from Long Beach.

### WILLING TO HAVE RAIN

Rain is wanted by Shoemaker W. L. Floyd, 1563 South San Fernando Road, who stated yesterday that the shop had caught up with all its work. He is of the opinion that a little dampness would send numerous pairs of shoes in to be repaired.

### WELL, WELL! NICE DOGGIE!

"My dog, Sooner, is both a setter and a pointer," declared William Miller yesterday, as he worked away in his blacksmith shop at 513 West Los Feliz Road. "He sets on the ground and points at a bone!"

### HOST ON HIS BIRTHDAY

Golburn Danner, son of Robert Danner, celebrated his birthday last night by acting as host at his home, 1631 Gardena avenue, to some of his friends from the high school at a chicken dinner.

### MOVE INTO NEW HOME

Mr. and Mrs. F. W. Mueller, who have been staying with J. W. Mueller, 1417 South Central avenue, since their arrival from St. Louis a few months ago, have now moved to their new home at 448 West Wilson avenue, Eagle Rock.

### HAVE DINNER AT BEACH

Mr. and Mrs. George M. Stull, their two children Margaret and Wesley, and A. J. Sauer, 1420 South San Fernando road, motored to Long Beach Sunday where they had dinner with Mr. and Mrs. H. Wilkins.

### BUSINESS DECLARED GOOD

"The meat business is good," declared Robert Danner, butcher at 1502 South San Fernando road, "I am doing very nicely."

### CARRIE CAMPBELL WINNER

Carrie Campbell of 109 East Laurel street won a coaster wagon. It was given her by William P. Murphy, furniture dealer at 1261 South Brand, who handles the Sherwood spring coasters capable of carrying a ton. Mr. Murphy loaded a wagon with all the heavy articles he could find and placed it in the store window, permitting all customers to guess the weight. The winner said 340 pounds, which was two pounds high.

### CHARLES HIPP TO MOVE

Charles Hipp, the Southern Glendale baker, is looking forward to moving into his new quarters next door to his present store at 1510 South San Fernando Road in about a week. The building is completed and will be ready for occupancy as soon as the plate-glass windows have been installed. His new number will be 1408 South San Fernando Road.

### HOME FOR B. G. JACKSON

A new home is being built at 216 West Eulalia street for B. G. Jackson, proprietor of the Jackson Auto Supply Store and Garage, 1600 South San Fernando Road. Mr. and Mrs. Jackson are now residing at 1200 South Central avenue. Their new bungalow will be located a few feet from Mr. Jackson's place of business.

### SAYS BUSINESS IS GOOD

"Business is going along as well as I could expect," stated B. G. Jackson, proprietor of Jackson's Auto Supply Store and Service Station, yesterday afternoon. "I have no kick at all." Mr. Jackson does not think the sale of Ford parts by other supply stores will make any difference to his business.

### STRONG SHOWING OF OIL

T. N. Edwards, proprietor of the Glendale Grill, 1415 South San Fernando Road, has received word from the Standard Oil company, that a strong showing of oil has been found on the thirty-acre plot of which he owns a portion. He says that he will get a portion of the proceeds.

### OPPORTUNITY TO DISPLAY

C. L. Brenkman says that he likes his new store at 1524 South San Fernando road better than his former location at 1510. He thinks that there will be a better opportunity to display his stock of toys and electrical goods as soon as the fixtures have been completely installed.

### GEORGE SCHRAM IS BACK

George E. Schram of 1500 South San Fernando Road, who has created quite a stir recently in Southern Glendale realty circles, returned last week with a party including his mother from the San Francisco Bay cities, his former home.

### PAINT FOR TRIANGLE PLANT

# WARNING

## To Prospective Purchasers of Lots in Kenneth Heights Tract

The sale of the Beautiful Homesites in this desirable foothill district has been phenomenal. Of the lots offered at the opening sale, which started Saturday, only six are left.

The quick sale of these lots proves that people know real value. They realized that Kenneth Heights Tract is the only subdivision offering lots for sale north of Kenneth Road, in the most ideally located spot for truly magnificent homes in the vicinity of Glendale. They knew that there is but a limited number of such lots, and when homes are erected on them no more can be procured at any price.

Each lot is spacious enough for the most pretentious residence, the smallest being 100x180 and increasing to a full acre. Broad, paved streets, curbs, gas, electricity, water and all modern improvements have been installed.

The six remaining lots may be sold before tomorrow noon. If you would make certain of securing one of these desirable homesites—see us tonight or first thing Wednesday morning—as they without doubt will be sold within the next twenty-four hours.

The sale of the first, second, third and fourth units of FAIRVIEW was remarkable.

AND WE HAVE SOLD 35 LOTS IN THIS 5TH UNIT IN 4 DAYS

We believe we can safely say that no subdivision in the Glendale district has ever been sold in so short a time. You ask why? Because it is in a beautiful, almost ideal location in the most rapidly growing section of Glendale, and is being sold at prices so low and terms so reasonable that almost everybody who hears about it and really wants a home, feel that they cannot miss the opportunity. To appreciate the value of what we are offering, we would only ask that a prospective purchaser examine all nearby and far away property and make comparisons as to the desirability, price, terms, restrictions, etc.

Such a comparison cannot fail to convince that the lots we are offering in FAIRVIEW are wonderfully reasonable in price for this class of property. Temporary homes under suitable restrictions are permitted. Come out to FAIRVIEW today. Bring \$50.00 and get a lot. Drive out West Broadway and San Fernando Road to Vine Avenue (opposite F. L. ## A Personal Statement Not An Advertisement

I value highly my personal statements and know you will come to understand their sincerity.

"The Sheik," the Paramount-Geo. Melford production, is a motion picture de luxe, colorful, vivid, thrilling, romantic, produced at tremendous expense for your delight. It is a picture of tremendous heart appeal, faithfully adapted from the book, the best seller of the day.

For magnificent scenes of sheer beauty, for dramatic acting, for colorful thrills, one after another, and for great heart romance and interest, "The Sheik" reaches the top notch of motion picture entertainment. To miss it is to miss one of the greatest pictures of all time. It is a great pleasure to offer such a picture to the Glendale public.

RALPH ALLAN,  
Manager T. D. L. Theatre.

## SETTINGS USED FOR 'THE SHEIK' VERY SPECTACULAR

Arabian Scenes Unique and True to Life; Feature Is Now at T. D. & L.

One of the most impressive features of "The Sheik," George Melford's latest production for Paramount, which comes to the T. D. & L. theatre today, are the many magnificent and spectacular settings in which the various scenes are enacted. These include:

A remarkable conception of a public section of the ancient City of Carthage under Roman rule; a bird's-eye shot of the City of Biskra, the Monte Carlo of the Algerian Sahara, taken from a minaret with an Arab praying in the foreground; fifteen actual shots of the City of Biskra, especially made for the picture by a representative from Paramount's London Studio; a picturesque African desert site near Hollywood; a complete Arabian village—the stronghold of the bandit chieftain, Omar; and beautiful, exotic interiors, such as the interior of the Sheik's tent, and the desert palace of Omar.

The role of the Sheik is played by Rudolph Valentino, the popular "Julio" of "The Four Horsemen of the Apocalypse." The cast further includes Lucien Littlefield, Adolphe Menjou, George Wagner, Ruth Miller, Walter Long and F. R. Butler.

**Boat Provides Comedy**  
Buster Keaton, in his latest comedy production, "The Boat," is also presented by the T. D. & L. management as an added attraction. This picture is conceded to be one of the comedian's greatest efforts and promises all innumerable laughs and fun-provoking entertainment. A big double bill that should interest everyone in Glendale.

## Traveling Public to Get Railroad's Help

A. J. Vail, local agent of the Union Pacific system at their depot here, corner of California and Glendale avenues, states that henceforth his company will render every assistance possible to the traveling public in aiding with arrangements for contemplated trips.

By telephoning Mr. Vail's office, Glendale 231, a passenger representative will call and make complete arrangements, including checking of baggage, Pullman reservations, etc., for trips to Salt Lake or further east. Mr. Vail believes that this service will be appreciated and it will mean that much more business for the Glendale branch of the railroad, thus enabling the company to make continued improvements here.

The Union Pacific System announces reduced Christmas holiday fares between all its stations in California and from all California points to destinations on its line in Nevada. Tickets will be sold for going passage December 23, 24, and 25, permitting return before midnight January 4.

## Miss Marjorie Imler Expected From Berkley

Mrs. Adelaide Imler of 334 West Park avenue is expecting the arrival this week of her daughter, Miss Marjorie Imler, from Berkeley, where she is a member of the senior class of the University of California. Miss Imler will spend the Christmas holidays here, and is planning to return to her studies at the university immediately following the New Year's championship football game at Pasadena.

## SALTS FINE FOR ACHING KIDNEYS

We Eat Too Much Meat Which Clogs Kidneys, Then the Back Hurts

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a teaspoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.—Advertisement.

## EXPORTS DECREASE FAST

WASHINGTON, D. C., Dec. 13.—American exports have decreased almost to the pre-war level, Secretary of Commerce Hoover announced. The secretary said that the exports during November were \$295,500,000, less than one-half the exports of November, 1920. The secretary explained that in comparing export figures the decrease in the price of agricultural products should be taken into consideration, since these products constitute the bulk of exports.

## PRISCILLA DEAN IN 'CONFLICT' OFFERS STRONG PICTURE

Various Emotions Are Well Displayed by Star in Glendale's Feature

Love, hate, anger and joy all find an outlet in the gripping story "Conflict," which will bring beautiful Priscilla Dean to the Glendale Theatre today, tomorrow and Thursday. Priscilla Dean fans, who have been anxiously awaiting the star's latest picture, after having enjoyed "Reputation" so thoroughly, will be more than repaid for their patient vigil.

This Universal-Jewel production is supreme in its detail and technicalities, a great deal of time having been spent on finding desirable locations for the North Woods scenes. That they are true in every detail will be readily observed even by the most expert woodsman.

"Conflict" presents a cast worthy of note, including, as leading man, Herbert Rawlinson, one of the best known players of the screen, Edward Connelly, Hector Sarno, Martha Mattox, L. C. Shumway, Sam Allen, Capt. C. E. Anderson, Milton Brown and Bill Gillis.

**In British Columbia**  
Stuart Patton, the well-known director of "Reputation," also directed this picture. Many of the most important sequences of the narrative were taken in British Columbia, where accurate scenes in the logging industry were obtained. The atmospheric background of the story is said to be startling in its exactness.

Dynamiting a log jam was one of the exciting incidents of the expedition. It was faithfully caught by the camera and will give a mighty thrill to playgoers.

And as everybody wants to see Priscilla Dean anyway, there should be no vacant seats for the next three days. Housewives will remember the matinee every afternoon at 2:30 o'clock.
